Noche UFC: Silva vs Delgado

September 12, 2026

LATE FACTUAL REPORT · NO PICKS ISSUED

No picks were issued for this event. This is a late factual report, not a pre-event T3 report or a T2 picks package.

Roster captured Sep 12, 2026, 21:30 UTC. Fighter profiles were captured separately at the times shown. These are saved facts, not a live update; they may include information recorded after the event cutoff.

The professional MMA record and additional profile record are separate captured entries. Their coverage has not been reconciled. Rates come from the additional profile; a record discrepancy is disclosed beside that fighter.

13 roster bouts · 3 cancelled pairings

How to read the comparisons

Striking rates show significant strikes per minute. Takedown and submission rates show averages per 15 minutes. Accuracy and defense are the captured percentages. Listed weight is not an official weigh-in. Missing values remain marked as not available.

This presentation uses the same captured report as the original delivery. It does not add forecasts, update historical facts, or certify a betting advantage.
