HOW TO READ THIS REPORT

Records use W, L, P, V and pending. Win rate is W/(W+L). Push, void and pending remain visible and do not enter binary proper scores.

Every grade uses the exact immutable issued proposition. No engine is rerun and no later FanDuel line replaces the issued line.

NCAA full-game spread and total settlement includes overtime unless the applicable issued-market rules explicitly state otherwise. A whole-number line landing exactly on the result is a push/refund under applicable FanDuel football rules.

Official governing-body results control settlement. Jurisdiction-specific postponement, forfeit and void timing must be sourced from the applicable FanDuel rules version; no universal timing rule is invented.

CERTIFIED CORPUS DEFINITION

Physical immutable NCAA production issuances and their corresponding immutable grade objects through 2026-09-03. Current corpus: 11 games and 22 positions on the target slate; no synthetic historical rows.
